

BUSINESS, MINOR (0299)

Effective from: 2022

Western Sydney University Minor Code: 0299

Available to students in other Western Sydney University

Programs: Yes. Check that your program has the available credit points required to complete the subjects in this field of study. Any requisite requirements must also be met. Consult your Program Advisor for further advice.

This Business Studies minor provides students with a strong foundation of business knowledge in key areas of management, consumer marketing, human resource management and microeconomics. Students complete practical industry-related activities which develop communication, cultural and analytic skills required to be innovative and responsible team-members and leaders. The Business Minor provides knowledge of the more people-oriented subjects in business. As such it would complement non-business students from humanities, social sciences and psychology programs.
