# Bachelor of Health Science Diploma in Health Science/Bachelor of Health Science

Health Services Management plays a vital role in society in ensuring that investment in health is well spent, and that health services are effective, efficient and sustainable. It puts management studies in the distinctive context of the health sector to integrate clinical understanding, business management skills and knowledge of the health care system and policy development. Our Health Services Management graduates worked in quality improvement, project and resource management, and digital health. Our program offers 280 hours of Work Integrated Learning and is accredited by the Australasian College of Health Service Management. There is room for specialisations in particular areas of interest in health, informatics, human resource and occupational safety which aim to extend students interdisciplinary knowledge and skills and ensure a readiness for the health management workforce. The Health Services Management testamur major includes 280 hours of professional placement experience. - The Testamur Major is identified on a graduate's testamur as Bachelor of Health Science (Health Services Management),

#### **Master of Health Science**

This major is designed for health practitioners who require skills in contemporary management and their application in the health care setting. Particular emphasis is placed on critical and analytic skills in health service governance, financing, quality and safety, and planning and evaluation, thus providing graduates with the ability to respond effectively to changes as they arise. Students in this major can further focus their studies in areas relevant to health service managers, such as project management, aged care management, human resource management and research and development.

| C. | Canatona / Applied Subjects |  |  |  |

#### **Capstone / Applied Subjects**

Please note that the following subjects have Enrolment Restrictions.

Select on of the following 40 credit point subjects:

HLTH 7004 Dissertation

HLTH 7020 Dissertation (Part Time)

HLTH 7026 Professional Internship in Health
HLTH 7030 Professional Internship in Health (Part-time)

OR complete the two following 20 credit point subjects
HLTH 7027 Professional Project in Health 1

HLTH 7028 Professional Project in Health 2

**Total Credit Points** 

160

40

#### **Replaced Subjects**

The units listed below count towards completion of this major for students who passed these subjects in 2019 or earlier.

HUMN 4009 - Research Design 1: Theories of Enquiry, replaced by HUMN 4001 Researcher Development 1: Reading ,Writing, and the Business of Research

HUMN 4012 - Research Literacies, replaced by HUMN 4003 Writing Beyond the Academy: Knowledge Translation and Public Audience Communication

BLDG 7009 - Project Procurement Systems, replaced by BLDG 7013 - Project Procurement Systems

Further information on recommended progression is available on the Postgraduate Health Science progression page.

Postgraduate Health Science Progression (https://www.westernsydney.edu.au/\_\_data/assets/pdf\_file/0011/1628291/Proposed\_Progression\_Postgraduate\_Health\_Science.pdf)

#### **Recommended Sequence**

| Select two electives                |  | 20  |
|                                     | Credit Points  | 40  |
|                                     | Total Credit Points  | 260 |

#### **Electives**

Students must take at least two level 3 subjects as electives.

Most electives are 10 credit points. Students may wish to consider using elective choices to complete another health sciences field of study, such as:

#### Minors:

Health Informatics, Minor (https://hbook.westernsydney.edu.au/archives/2021-2022/majors-minors/health-informatics-minor/)

Public Health, Minor (https://hbook.westernsydney.edu.au/archives/2021-2022/majors-minors/public-health-minor/)

#### **Related Programs**

Bachelor of Health Science (4656) (https://

hbook.westernsydney.edu.au/archives/2021-2022/programs/bachelor-health-science/)

Diploma in Health Science/Bachelor of Health Science (6000) (https://hbook.westernsydney.edu.au/archives/2021-2022/programs/diplomahealth-science-bachelor-health-science/)

#### Health Services Management, Testamur Major (T019)

6

Master of Health Science (4698) (https://hbook.westernsydney.edu.au/archives/2021-2022/programs/masterhealth-science/)
