

# SUSTAINABLE DEVELOPMENT, MAJOR

Western Sydney University Major Code: 0163

Previous Code: M1107.1

Available to students in other Western Sydney University programs?

No

This major is available to students enrolled in the program Bachelor of Business (<https://hbook.westernsydney.edu.au/archives/2021-2022/programs/bachelor-business/>) from 2016. Sustainable development balances the need for development with the need to respect cultures, society, community and the environment. This major is an external major for Bachelor of Business students. Students will examine processes of development and the mechanisms to ensure that development is socially and environmentally sustainable.
