Graduates of this degree are eligible for direct entry into the Master of Teaching (Secondary) via Transition to Teaching pathway. Completion of both the Bachelor's and Master's programs provides a teaching qualification for Secondary. Eligible students will receive advice during their final study session in the Bachelor of Arts (Pathway to Secondary) regarding how to accept an offer into the Postgraduate program to attain a teaching qualification.

The BA (Pathway to Teaching Secondary) Dean's Scholars is a three year degree for high achieving students specially designed to lead into the Master of Teaching (Secondary), an accredited postgraduate teaching qualification. Together, the two degrees provide direct access to a teaching career in four and a half years and improved prospects for career advancement. The Bachelor of Arts (Pathway to Teaching Secondary) Dean's Scholars component provides focussed study in a teaching discipline, such as English, History, a Language Other than English or Human Society and Its Environment, as well as opportunity to study an Education Studies Minor that develops understandings of contemporary education issues, teaching and learning.

This degree is exclusively for high-achieving students. Students in the BA (Pathway to Teaching Secondary) Dean's Scholars program are automatically enrolled in The Academy at Western Sydney University, which offers interdisciplinary leadership programs, professional development and local and international internship and engagement opportunities for students.

For further information concerning the requirements for secondary teaching, students are advised to consult the Subject Content Requirements for Primary and Secondary Teaching NSW (Abridged) from the NSW Education Standards Authority (NESA).
