MT2027 Marketing, Testamur Major (<http://handbook.westernsydney.edu.au/hbook/specialisation.aspx?unitset=MT2027.1>), replaced by Marketing, Testamur Major in 2022 (listed under the Major heading above)

Note to students who choose the Accounting major

Students in the Accounting major are advised to complete subject LAWS 4008 Revenue Law as one of their eight LLB alternate subjects. Students who do not complete LAWS 4008 Revenue Law as part of their law degree will be required to complete this subject or LAWS 3070 Taxation Law separately. LAWS 3070 Taxation Law cannot count towards the requirements of the law degree.

Students in the Accounting major should also note that in order to achieve accreditation with CPA Australia (CPA), Chartered Accountants Australia and New Zealand (CAANZ) and the Institute of Public Accountants (IPA), they will need to complete one additional subject (10 credit points) over and above the 400 credit points of this program. This means that students who wish to achieve accreditation will also need to complete ACCT 2001 Contemporary Management Accounting.

Please note that students who early exit from the double degree without completing all the requirements of the law degree and who seek to achieve accreditation with CPA Australia (CPA), Chartered Accountants Australia and New Zealand (CAANZ) and the Institute of Public Accountants (IPA), must in addition to completing their business subjects and the first eight law subjects also complete LAWS 3045 Law of Associations (or LAWS 2010 Law of Business Organisations) and LAWS 4008 Revenue Law (or LAWS 3070 Taxation Law). Students who later resume the law degree component of the program cannot count LAWS 2010 Law of Business Organisations or LAWS 3070 Taxation Law towards their law degree.

Note to students who choose the Property major

The Bachelor of Business (Property) is accredited by the Australian Property Institute (API) and, depending on electives chosen, students may be eligible for API Certified Practising Valuer (CPV) certification. Students, depending on chosen electives, are also eligible for Australian Property Institute (API) certifications of Certified Property Practitioner, Certified Property Manager, Certified Funds Manager, Certified Asset Manager and Certified Development Practitioner. Students in the Property major should note that in order to achieve accreditation with the Australian Property Institute (API), they will need to complete an additional two subjects (20 credit points) over and above the 400 credit points of this program. This means that students who wish to achieve accreditation must also complete MGMT 3004 Statutory Valuation and BLDG 1011 Property Building.

Elective Subjects

Please note that BBus/LLB students can complete an elective subject from any School across the University in place of the Business core subject LAWS 1001 Enterprise Law (excluding LAWS 1001 Enterprise Law, LAWS 2010 Law of Business Organisations, LAWS 3070 Taxation Law and any other inter-disciplinary law subject offered by the School of Law). Enrolment in elective subjects is subject to availability and meeting rules for individual subjects (for example co-requisite and pre-requisite rules).

Early Exit from the Program

Early exit with program 2786 Bachelor of Business is possible upon satisfactory completion of: 80 credit points of law subjects i.e. the first eight law subjects as specified in the program sequence; 150 credit points of business subjects; and 10 credit points of an elective. This can be achieved in the equivalent of three years full time study.

Students will only be eligible to graduate with a Bachelor of Laws on completion of the entire 400 credit point program. Students are not accredited to complete a law degree as part of the program. Should enrolled students in this program wish to pursue a standalone law degree they must transfer out of this program to program 2502 Bachelor of Laws (Non Graduate Entry). However, such a transfer to program 2502 Bachelor of Laws (Non Graduate Entry) is not the same as an "early exit".

Planning study - It may be possible to vary the sequence of subjects so that students study a greater concentration of either law or business study each semester, to minimise travel between campuses and to overcome timetabling problems. Students should speak to their Academic Program Advisor as needed.
