BACHELOR OF INDUSTRIAL DESIGN (HONOURS) (3731)

Approved Abbreviation: BIndDes(Hons)
Western Sydney University Program Code: 3731
AQF Level: 8

CRICOS Code: 107743E

This program applies to students who commenced in 2021 or later.

Students should follow the program structure for the session start date relevant to the year they commenced.

For commencement year 2020, please refer to: 3731.3 Bachelor of Industrial Design (Honours) (http://handbook.westernsydney.edu.au/hbook/course.aspx?course=3731.3)

For commencement year 2019-2020, please refer to: 3731.2 Bachelor of Industrial Design (Honours) (http://handbook.westernsydney.edu.au/hbook/course.aspx?course=3731.2)

The Bachelor of Industrial Design (Honours) is a four-year program with specialisations that build significant support for the final year research thesis and applied design research project. The Design Research pathway central to Honours is developed to meet the demands of industry and academia in creating new contributions to the body of knowledge in innovation, systems thinking, design thinking, and social innovation. The curriculum offers structured and self-directed learning across standard class formats, studio-based, blended online and experiential Work Integrated Learning with focus on advanced design research methods drawn from industry-based design practice providing graduates with multi-directional employment pathways.

Early Exit

Students may exit this program on completion of 240 credit points with a 3729 Bachelor of Design and Technology (https://hbook.westernsydney.edu.au/archives/2021-2022/programs/bachelor-design-technology/)

Study Mode

Four years full-time or eight years part-time.

Graduates are eligible for membership of the Design Institute of Australia (DIA)

Work Integrated Learning

Western Sydney University seeks to enhance student learning experiences by enabling students to engage in the culture, expectations and practices of their profession or discipline. This program includes a placement or other community-based unpaid practical experience.

There is a mandatory work component required for completion of this program. Please contact the Program Advisor listed above for information.

International students should also refer to the link below for more information and a link to the Commonwealth Register of Institutions and Courses for Overseas Students (CRICOS).

Work Integrated Learning (WIL) for international students (https://www.westernsydney.edu.au/currentstudents/current_students/services_and_facilities/international_student_support/working_in_australia/work_integrated_learning/)

Admission

Assumed knowledge: any two subjects of English plus at least two subjects of Design, Design and Technology, Visual Arts, Digital Multimedia, Engineering, or Business Studies.

Alternate Entry

Entry by interview in which personal aptitude, professional experience, and educational qualifications are taken into consideration supported by a portfolio of works. After applicants have applied they are required to book an interview and download a questionnaire at the University's online booking system.
