

BACHELOR OF MUSIC/ BACHELOR OF CREATIVE INDUSTRIES (1841)

Approved Abbreviation: BMus/BCrInd
Western Sydney University Program Code: 1841
AQF Level: 7

CRICOS Code: 095719G

This program applies to students who commenced in 2021 or later.

Students should follow the program structure for the session start date relevant to the year they commenced.

For Commencement Year 2017 - 2020 - please refer to: 1841.1 Bachelor of Music/Bachelor of Creative Industries (<http://handbook.westernsydney.edu.au/hbook/course.aspx?course=1841.1>)

Music graduates who previously would have planned to pursue contracts with one or more large record companies or orchestras now have a future where they will be able to self-publish their work to the world, or they may require a more entrepreneurial approach than that previously required of a musician or music technologist. This double degree brings together the existing Music program with emerging creative industries and allows students who are interested in pursuing careers in music to also engage with new paradigms of creative and cultural production, developing skills in entrepreneurship and working in collaborative projects with creative industries in Greater Western Sydney (GWS).

Students may be required to travel to Parramatta campus for a portion of the Creative Industries component.

- Director of Academic Program - Dr Clare MacLean

Study Mode

Four years full-time or eight years part-time.

Majors and Minors

Music

The Bachelor of Music component will consist of two minors. Select from the following three minors.

Composition, Minor (0067) (<https://hbook.westernsydney.edu.au/archives/2021-2022/majors-minors/composition-minor/>)

Music Performance, Minor (<https://hbook.westernsydney.edu.au/archives/2021-2022/majors-minors/music-performance-minor/>)

Music Production, Minor (<https://hbook.westernsydney.edu.au/archives/2021-2022/majors-minors/music-production-minor/>)

Because any two music minors result in the student completing seven rather than eight subjects as they share one common subject, students are required to enrol in an additional Music subject to meet the 160 credit points requirement for the Music component of the degree and eventually the 320 credit points requirement for this double degree. The additional Music subjects include the following.
