BACHELOR OF NURSING (HONOURS) (4529)

Approved Abbreviation: BN(Hons)

Western Sydney University Program Code: 4529

AQF Level: 8

CRICOS code:

This program applies to students who commenced in 2019 or later.

For Commencement Year 2008, please refer to: 4529.2 Bachelor of Nursing (Honours) (http://handbook.westernsydney.edu.au/hbook/ course.aspx?course=4529.2)

This program is designed for graduates of the Bachelor of Nursing degree and other similar degrees. Successful completion of the program provides students with a sound basis for subsequent research within their own work environments and enables them to progress to higher degree research-related programs.

This program provides an opportunity for students, under guidance of their supervisors, to plan and implement a research project in the area of nursing practice. Knowledge, skills and experience gained by students completing this program will contribute to the knowledge base for nursing practice.

The program of study combines a research project with coursework. The coursework, undertaken during the first semester of enrolment, comprises two subjects of study which focus on critical review of research literature, understanding ethical principles applied to practicebased research and the development of a formal research proposal. The remainder of the program focuses on completion of a research project and the preparation and submission of a Bachelor of Nursing (Honours) thesis.

This program can be undertaken concurrently with any new graduate transitional program offered by various hospitals.

Study Mode

One year full-time or two years part-time.
