

DIPLOMA IN BUILDING DESIGN MANAGEMENT (7108)

Approved Abbreviation: DipBldgDesMgt
Western Sydney University Program Code: 7108
AQF Level: 5

CRICOS Code: 094500B

Program Status: CURRENT

This program applies to students who commenced in 2022 or later.

Students should follow the program structure for the session start date relevant to the year they commenced.

For commencement year 2021, please refer to - 7108.2 - Diploma in Building Design Management (exit only) (<http://handbook.westernsydney.edu.au/hbook/course.aspx?course=7108.2>)

For commencement year Term 3 2016 - 2020, please refer to - 7108.1 - Diploma in Building Design Management (exit only) (<http://handbook.westernsydney.edu.au/hbook/course.aspx?course=7108.1>)

The Diploma in Building Design Management is available as an exit point only from Diploma in Building Design Management/Bachelor of Building Design Management (<https://hbook.westernsydney.edu.au/archives/2021-2022/programs/diploma-building-design-management-bachelor-building-design-management/>).

This program is delivered by Western Sydney University, The College as an agent of Western Sydney University.

The program is designed to provide students with the first year subjects included in the Bachelor of Building Design Management degree. It presents students with a range of subjects covering the design, building and management aspects of construction management and aims to prepare students for study beyond the first year of the Bachelor of Building Design Management degree. It is delivered in an environment focused specifically on supporting students to make the transition into university study. Students who successfully complete this program will articulate into the Bachelor of Building Design Management degree at Western Sydney University with up to one year equivalent of advanced standing.

For more information on Western Sydney University, The College, please refer to their web site.
