

MASTER OF TEACHING (SECONDARY) STEM (1848)

Approved Abbreviation: MTeach(Sec)STEM

Western Sydney University Program Code: 1848

AQF Level: 9

CRICOS Code: 095774A

This program applies to students who commenced in 2022 or later.

Students should follow the program structure for the session start date relevant to the year they commenced.

For Commencement Year 2018 to 2021 - please refer to 1848.1 Master of Teaching (Secondary) STEM (<http://handbook.westernsydney.edu.au/hbook/course.aspx?course=1848.1>)

This program is an accredited professional teaching qualification for students possessing an appropriate bachelor's degree. It prepares graduates for careers in secondary school settings in particular science, technology, engineering and/or mathematics (STEM) in NSW, other Australian states and internationally. The program provides a strong qualification in secondary STEM education, and is taught on campus and in schools, through innovative blended teaching and learning approaches. Graduates meet the Australian Professional Standards for Graduate Teachers, required for registration with the NSW Education Standards Authority (NESA). The Graduate Diploma in Teaching (Secondary) STEM is an early exit point for students not seeking a professional teaching qualification.

Early Exit

Students may exit this program on completion of 80 credit points with a 1853 Graduate Diploma in Teaching (Secondary) STEM (exit only) (<https://hbook.westernsydney.edu.au/archives/2021-2022/programs/graduate-diploma-teaching-secondary-stem-exit-only/>)

Study Mode

Two years full-time.

Accreditation

The Master of Teaching (Secondary) STEM is a professional teaching qualification for students possessing an appropriate bachelor's degree. It has been fully accredited by the NSW Education Standards Authority (NESA). Graduates meet the Australian Professional Standards for Graduate Teachers.

Work Integrated Learning

Western Sydney University seeks to enhance student learning experiences by enabling students to engage in the culture, expectations and practices of their profession or discipline. This program includes a placement or other community-based unpaid practical experience.

There is a mandatory work component required for completion of this program. Please contact the Program Advisor listed above for information.

International students should also refer to the link below for more information and a link to the Commonwealth Register of Institutions and Courses for Overseas Students (CRICOS).

Work Integrated Learning (WIL) for international students (https://www.westernsydney.edu.au/currentstudents/current_students/services_and_facilities/international_student_support/working_in_australia/work_integrated_learning/)

Admission

Applicants must have successfully completed an undergraduate degree in the disciplines of science, technology, engineering and/or mathematics (STEM) and these subjects must match with the secondary STEM subject content requirements of the NSW Education Standards Authorities (NESA).

NESA Subject Content Knowledge Requirements (<https://educationstandards.nsw.edu.au/wps/wcm/connect/1bea4323-19a6-4af6-b657-95ae4cea954b/subject-content-knowledge-requirements-policy.pdf?MOD=AJPERES&CVID>)

Where these undergraduate STEM study requirements are not met, applicants may be offered concurrent enrolment in up to four undergraduate subjects of study. (Please note: from 2023 this requirement is no longer available)

Applicants must have a minimum GPA of 5 in undergraduate study.

Applicants are required to successfully complete the non-academic capability assessment.

Additional Information for Applicants

Applicants are required to commit to attend a school two days per week during each semester in order to complete the Professional Experience in schools' requirement, in addition to lectures and tutorials.

Current students transitioning from Western Sydney Bachelor of Science (Pathway to Teaching Secondary/Primary) are required to meet all of the above admission requirements.

Applications from Australian and New Zealand citizens and holders of permanent resident visas may be made via the Universities Admissions Centre (UAC) or directly through the Western Portal. Use the links below to apply via UAC or Western Sydney University. Applications made directly to Western Sydney do not have an application fee.

Applicants who have undertaken studies overseas may have to provide proof of proficiency in English. Local applicants who are applying through the Universities Admissions Centre (UAC) will find details of minimum English proficiency requirements and acceptable proof on the UAC website. Local applicants applying directly to the University should also use the information provided on the UAC website.

International students currently completing an Australian Year 12 in or outside Australia, an International Baccalaureate in Australia or a New

Zealand National Certificate of Educational Achievement (NCEA) level 3 must apply via UAC International.

<http://www.uac.edu.au/>

All other International applicants must apply directly to the University via the International Office.

International students applying to the University through the International Office can find details of minimum English proficiency requirements and acceptable proof on their website.

International Office (<http://www.westernsydney.edu.au/international/>)

Overseas qualifications must be deemed by the Australian Education International - National Office of Overseas Skills Recognition (AEI-NOOSR) to be equivalent to Australian qualifications in order to be considered by UAC and Western Sydney University.

International students who did not complete their undergraduate degree in Australia must also meet English Language proficiency requirements and must provide evidence to satisfy the Australian Institute for Teaching and School Leadership (AITSL) as in the following

- An Academic version of the International English Language Testing System (IELTS) Test Report Form (TRF) that shows an overall score of at least 7.5 and:
- a score of at least 7.0 for Reading and Writing; and
- a score of at least 8.0 for Speaking and Listening.
- The IELTS test scores must appear on a single IELTS TRF and be the result of a test undertaken during the 12-month period prior to submitting an application.

Or

An applicant has completed study assessed by AITSL as comparable to at least four years of full-time (or part-time equivalent) higher education (university) study, that results in a qualification/s comparable to the education level of an Australian bachelor degree or higher (must include a recognised initial teacher education qualification) undertaken in Australia, Canada, the Republic of Ireland, New Zealand, the United Kingdom or the United States. Details of acceptable proof are available on the University's International website
