

UNDERGRADUATE CERTIFICATE IN ENVIRONMENTAL SUSTAINABILITY (7175)

Approved Abbreviation: UGCEnvSust
Western Sydney University Program Code: 7175
AQF Level: 5

This program applies to students who commenced in 2021 or later.

Students should follow the program structure for the session start date relevant to the year they commenced.

For Commencement Year 2020 - please refer to 7175.1 Undergraduate Certificate in Environmental Sustainability (<http://handbook.westernsydney.edu.au/hbook/course.aspx?course=7175.1>)

The Undergraduate Certificate in Environmental Sustainability will combine social, economic, cultural and political elements of environmental challenges and examine processes and relationships that underpin environmental sustainability in different landscapes. Solving the world's environmental problems will require workers on various levels who are trained in these issues and who understand the wider contexts of the challenges faced.

Study Mode

Six months full-time.

Program Advice

Mitchell Liddle (<https://directory.westernsydney.edu.au/search/email/m.liddle@westernsydney.edu.au>)
