

BEHV 3021 PSYCHOLOGY, CRIME AND LAW

Credit Points 10

Legacy Code 102399

Coordinator Kiley Seymour ([https://directory.westernsydney.edu.au/search/name/Kiley Seymour/](https://directory.westernsydney.edu.au/search/name/Kiley%20Seymour/))

Description This unit covers a broad spectrum of issues relevant to legal and forensic psychology. How accurate is a witness's memory? How good are we at identifying a suspect in a line-up? Why do people confess to crimes they never committed? What are good interviewing and interrogation techniques for understanding the truth? How accurate are repressed memories, and how are false memories implanted?

School Psychology
