

# BLDG 7015 CONSTRUCTION INDUSTRY PRACTICE B

**Credit Points** 20

**Description** In this subject students are placed with relevant employers to work on a variety of industry related tasks. Placements are structured for student engagement in professional work in their relevant field of study. Placement agencies ensure students are supervised by experienced practitioners, are mentored through site visits and work on projects in a professional capacity. Agreements with supervisors and clear communication lines are set to clarify student engagement and their involvement in meaningful professional tasks that contribute to an authentic learning experience. This subject aims to promote greater engagement with career planning and progression and hence improve job readiness.

**School** Eng, Design & Built Env

**Student Contribution Band** HECS Band 2 20cp

**Level** Postgraduate Coursework Level 7 subject
