

# FINC 3007 INTERNATIONAL PROPERTY

---

**Credit Points** 10

**Legacy Code** 200545

**Coordinator** Heath Spong ([https://directory.westernsydney.edu.au/search/name/Heath Spong/](https://directory.westernsydney.edu.au/search/name/Heath%20Spong/))

**Description** This unit examines international property, with particular attention given to international property investment and the factors influencing international property markets. The development of international property markets is assessed, including the structure of mature, developing and emerging property markets. The performance analysis of both direct and indirect international property is also examined to assess the strategic contribution of international property in an investment portfolio.
