Description This unit provides students with opportunities outside the usual classroom experience. It is designed particularly for students who (1) enrol in short course study tours and/or (2) take a placement with an international or domestic workplace. A number of WSU partners offer short course study programs either internationally or domestically. The study tours offer an opportunity to spend up to three weeks off campus and experience real-life settings that allow for application of academic knowledge and understanding of on-the-spot discoveries.
