Coordinator Richard Robinson (https://directory.westernsydney.edu.au/search/name/Richard Robinson/)

Description This online unit helps to prepare students who are considering university studies. It develops English skills across the 4 areas of listening, speaking, reading and writing. The unit introduces students to academic English which is needed for success at university. Students will come to understand and practise the different oral and written structures used in tertiary study as well as develop good grammatical knowledge. The unit encourages independent study but provides necessary support throughout.
