Description This subject is a capstone subject for the relevant Interpreting and Translation award and is aimed at assisting students in their transition from interpreting and translation trainees to successful professional interpreters and translators. It provides students with the opportunity to participate in practical aspects of the Interpreting and/or Translation professions and related fields, as well as to undertake supervised practice in the workplace. Students will complete the practical work relevant to their field of specialisation, i.e., Interpreting, Translation or both. Together with LANG3067 Preparation for NAATI Certification UG it helps students prepare for the NAATI Certification test to be undertaken when they finish this program.
