NOAW 0004 ACADEMIC INTEGRITY MODULE

Credit Points 0

Legacy Code 900306

Coordinator Linda Parker (https://directory.westernsydney.edu.au/search/name/Linda Parker/)

Description The Academic Integrity Module (AIM) introduces students to the importance of studying with integrity at Western and the value of integrity in professional life. Students completing the AIM commit to the values of Western's Student Honour Code, developed in partnership with students. The AIM outlines requirements and expectations regarding ethical academic behaviour including use and acknowledgement of sources and presenting your own work in assessments. It also introduces key academic integrity concepts in the Student Misconduct Rule that all students need to be aware of, including academic misconduct, plagiarism, contract cheating and collusion. Students who complete the AIM feel more confident in approaching their studies with integrity and identifying potential risks to their academic integrity. Satisfactory completion of the AIM is mandatory for all commencing students. Once completed, students will be able to register for subsequent teaching sessions.
