

NURS 4007 NURSING HONOURS THESIS A (FULL-TIME)

Credit Points 20

Legacy Code 400202

Coordinator Antoinette Cotton ([https://directory.westernsydney.edu.au/search/name/Antoinette Cotton/](https://directory.westernsydney.edu.au/search/name/Antoinette+Cotton/))

Description This unit aims to provide an opportunity for students to plan and implement a research project related to nursing which results in the production of a thesis. In consultation with an academic supervisor, the student will select a topic, conduct a literature review, design a research study, and report the findings and their implications. Attendance and participation at research seminars/colloquia is expected.

School Nursing & Midwifery

Discipline General Nursing

Student Contribution Band HECS Band 1 20cp

Check your HECS Band contribution amount via the Fees (https://www.westernsydney.edu.au/currentstudents/current_students/fees/) page.

Level Undergraduate Level 4 subject

Assumed Knowledge

A basic knowledge of research methods at undergraduate level or equivalent is required.

Learning Outcomes

On successful completion of this subject, students should be able to:

1. Investigate a health or nursing related issue or problem in depth through a review of the literature;
2. Identify a researchable question related to a health or nursing issue or problem;
3. Develop a research proposal;
4. Obtain formal approvals for research, e.g. ethical approval, where required;
5. Perform data collection and data analysis relevant to the research proposal;
6. Contribute to discussions about the research process with professional colleagues; and
7. Produce a thesis of the prescribed length and format which demonstrates proficiency in the execution of the study and ability to effectively communicate results and conclusions.

Subject Content
