Description In 2022 this unit replaced by 102856 - Music Project 2: Creative Performance. In this unit, students will plan, prepare and perform a substantial artistically and technically challenging performance project as featured artist. Students are required to expand their performance practice by utilising electroacoustic media and/or multimedia. The repertoire will be self-directed and devised in consultation with the lecturer. Students will be exposed to current digital performance and interface technologies for software and hardware instruments, and real-time digital audio processing.
