

REHA 4030 SPEECH PATHOLOGY PROFESSIONAL ISSUES

Credit Points 10

Legacy Code 401431

Coordinator Belinda Kenny ([https://directory.westernsydney.edu.au/search/name/Belinda Kenny/](https://directory.westernsydney.edu.au/search/name/Belinda%20Kenny/))

Description This unit will address contemporary professional issues relevant to entry-level and future speech pathology practice. Students will integrate knowledge and skills from the year 3 and 4 academic and clinical units to generate evidence-based and ethically sound approaches to managing complex and contemporary professional issues. Students will critically reflect on their roles and responsibilities as future professional practitioners, leaders and advocates for the speech pathology profession. Students will engage in career planning and develop strategies to facilitate their transition to professional practice and fulfilling the roles and responsibilities expected of new graduate speech pathologists.

School Health Sciences

Discipline Speech Pathology

Student Contribution Band HECS Band 2 10cp

Check your HECS Band contribution amount via the Fees (https://www.westernsydney.edu.au/currentstudents/current_students/fees/) page.

Level Undergraduate Level 4 subject

Pre-requisite(s) REHA 4028

Co-requisite(s) REHA 4029

Restrictions Students must be enrolled in 4763 Bachelor of Speech Pathology or 4764 Bachelor of Speech Pathology (Honours)

Assumed Knowledge

Students will be expected to have comprehensive knowledge and understanding of assessment and management of communication and mealtimes across the lifespan. Students will require the knowledge, clinical reasoning and reflection skills to respond to complex case and service delivery issues in speech pathology practice. Students will draw upon their diverse speech pathology practice experiences to complete learning activities and assessments for this subject. This subject focuses on preparation for recruitment and professional entry and it is assumed that students will have achieved professional competencies approaching entry-level before undertaking the subject.

Learning Outcomes

On successful completion of this subject, students should be able to:

1. Critically reflect on roles, responsibilities and skills required for leadership and advocacy in the speech pathology profession.
2. Engage with the Speech Pathology Australia (SPA) 2030 aspirational goals for the profession through critical application to the future management of individuals, families and communities.
3. Articulate an integrated professional identity by applying theoretical knowledge, professional experience, reasoning and reflection skills during speech pathology recruitment processes.

4. Appraise self-care needs and create practical strategies for professional resilience in future workplace settings.
5. Model professional, ethical and safe practice in all speech pathology contexts.

Subject Content
