

HEALTH PRACTICE MANAGEMENT, MINOR (0240)

Western Sydney University Minor Code: 0240

Previous Code: SM4002.1

Available to students in other Western Sydney University

Programs: Yes, however the following restrictions apply.

The Minor complements study in another health or interdisciplinary major. Students will choose four of a suite of five subjects which are grouped to develop students' knowledge and the skills required to manage a health practice or health service. Such management skills can be applied to management of any work practice and should provide students with more diverse employment opportunities. Note: To avoid duplication of content studied in a course, students may not take this minor with the following fields of study: T019 Health Services Management or 0053 Health Services Management or 0170 Health Management)
