

INTERNATIONAL BUSINESS, MINOR (0290)

Western Sydney University Minor Code: 0290

Previous Code: SM2059

Available to students in other Western Sydney University

Programs: Yes. Check that your program has the available credit points required to complete the subjects in this field of study. Any requisite requirements must also be met. Consult your Program Advisor for further advice.

This minor is about managing international business operations and the role of a range of factors including internationalisation, globalisation, and the power of institutions that can influence these operations. Students learn about the wider and changing context of business operations involving political, legal, economics that influence management practice on a global scale.

Location
