Western Sydney University Major Code: 0140

Previous Code: M1130.1

Available to students in other Western Sydney University programs?  
No

The major, Music for Secondary Teaching, fulfils the NESAs requirements to teach music in secondary schools. It offers students experience in composition, musicology (Western art music history) and performance. It covers a range of musical styles, periods and genres with a strong component of contemporary music and Western art music. An audition is a pre-requisite for the first performance subject, and entry into Songwriting and Music Theory assumes a working knowledge of music notation theory, assessable through a screening test. These music subjects are only available at the Penrith campus.
