

SUSTAINABLE BUSINESS, MAJOR (0249)

Western Sydney University Major Code: 0249

Previous Code: SP2010.1

Available to students in other Western Sydney University

Programs: Yes. Check that your program has the available credit points required to complete the subjects in this field of study. Any requisite requirements must also be met. Consult your Program Advisor for further advice.

Students undertaking this major will gain skills and knowledge to act on sustainability and social responsibility issues in business recognising the need for financial and business solutions to maintain a competitive edge. Acting on these issues, students enhance critical thinking and problem solving skills, justifying solutions and aligning with the principles of UN SDGs for complex and challenging scenarios that also address social and environmental concerns. Through business projects and research tasks, students build ethical and responsible characteristics, create innovative strategy, and develop skills in judgement, scenario planning and creativity for business environmental management.
