This program applies to students who commenced in 2022 or later.

This program is designed for high achieving law students in the Bachelor of Criminal and Community Justice/ Bachelor of Laws program who wish to undertake an extended level of study and research in Law. An honours degree indicates academic excellence in a professional context and, as an Australian Qualifications Framework Level 8 (<https://www.aqf.edu.au/aqf-levels/>) qualification, students may also have direct entry into postgraduate programs including Masters and Doctor of Philosophy programs.

There is no direct entry into the Honours program. Entry is by application only following completion of at least 160 credit points of Law study and by meeting specified criteria (see Admission details). As an embedded honours program, students are not required to undertake an additional period of study. Further details regarding the honours program and its requirements are available at: Honours in Law (<https://www.westernsydney.edu.au/schools/sol/honours/>) and School of Law Honours Guidelines (<https://policies.westernsydney.edu.au/download.php?associated=1&id=498&version=4>).

The Bachelor of Laws (Honours) program satisfies the academic degree requirements for admission to practice as an Australian lawyer. Students will engage in collaborative face-to-face problem and case-based learning, will be supported by online learning materials, and will participate in authentic assessment to develop knowledge and skills. The program provides students with a broad progressive legal education with a strong practical orientation to the law. Students develop skills in problem-solving, critical thinking, research, communication, collaboration, self-management, and ethical and professional awareness and judgement. Students will have the opportunity to develop skills in legal advocacy, negotiation, and legal technology and extend their professional and learning experiences through work integrated learning, clinical placement and international exchange engagements.

Study Mode
