

BACHELOR OF TOURISM AND EVENT MANAGEMENT (1916)

Western Sydney University Program Code: 1916
AQF Level: 7

CRICOS code: 109243J

This program applies to students who commenced in 2023 or later.

Students should follow the program structure for the session start date relevant to the year they commenced.

For Commencement Year 2020 to 2022 - Please refer to 1664.7 Bachelor of Tourism Management (<https://handbook.westernsydney.edu.au/hbook/course.aspx?course=1664.7>)

This program combines tourism, event management, social science, business and marketing subjects to prepare graduates for professional roles in tourism, events, and the visitor economy. Students can choose from a suite of majors, including: environmental management, event and festival management, heritage, marketing, place management, planning, sport and sustainability. The program has been developed with industry to ensure students develop the skills and knowledge desired by employers. Students complete fieldwork, engage with industry and government stakeholders, and are provided with opportunities for international fieldtrips and placements. A final-year professional placement allows students to gain further industry experience and provides a stepping-stone into employment.

Study Mode

Three years full-time or six years part-time.

Work Integrated Learning

Western Sydney University seeks to enhance student learning experiences by enabling students to engage in the culture, expectations and practices of their profession or discipline. This program includes a placement or other community-based unpaid practical experience.

There is a mandatory work component required for completion of this program. Please contact the Program Advisor listed above for information.

International students should also refer to the link below for more information and a link to the Commonwealth Register of Institutions and Courses for Overseas Students (CRICOS).

Work Integrated Learning (WIL) for international students (https://www.westernsydney.edu.au/currentstudents/current_students/services_and_facilities/international_student_support/working_in_australia/work_integrated_learning/)

The Bachelor of Tourism and Event Management incorporates one core and one alternate core that incorporate Work Integrated Learning through supervised industry placements. The majority of students will enrol in the domestic Visitor Economy Professional Placement subject (20 credit points, offered in both Autumn and Spring), which involves approximately 231 hours (which includes placements with an industry host, professional development and workshops), during which time students gain work-ready skills and undertake professional tasks. As an alternative, Bachelor of Tourism and Event Management students are able to enrol in the Social Sciences International Placement units (totalling 40cp), which incorporate a 12-14 week placement (35 hours/week, totalling 420 hours) with a tourism-related host in an international context.

In both placement subjects, the subject coordinator works closely with placement providers to ensure an equitable quality of workplace supervision. The process of liaison involves site visits and meetings. These meetings allow subject coordinators to discuss: specific details about the placements, the criteria for accepting students, placement constraints and the required procedures for student engagement and management during their placement (e.g. induction, supervision, evaluation, patterns of work, special requirements). During the placement weeks, the subject coordinator will engage in one-on-one student supervision and host liaison management (via zoom/Skype for international placements). The placement weeks also include a suite of evaluation processes throughout, including a mid-year and end of year evaluation undertaken by the host provider, and a mid-year review conducted by the subject coordinator (either online or face-to-face).

Applications from Australian and New Zealand citizens and holders of permanent resident visas may be made via the Universities Admissions Centre (UAC) or directly through the Western Portal. Use the links below to apply via UAC or Western Sydney University. Applications made directly to Western Sydney do not have an application fee.
