This program is delivered by Western Sydney University, The College as an agent of Western Sydney University.

To succeed in business, individuals must possess both the knowledge and know-how to create opportunities for professional advancement and the development of original and exciting initiatives. This program aims to harness students' energy and passion for success by focussing on career and the future of enterprises in a range of contexts. Whether students wish to start their own business or pursue a corporate role in a global enterprise, this program provides the necessary skills.

This program consists of five core subjects: Enterprise Law, Enterprise Leadership, Enterprise Innovation and Markets, Financing Enterprises and Statistics for Business, providing students with an understanding of the key areas of Business, before choosing a major area of study and three elective subjects.

Students who successfully complete the Diploma in Business Extended will articulate into the Bachelor of Business degree at Western Sydney University with up to one year (80 credit points) equivalent of advanced standing.

Study Mode

One and a half years full-time or three years part-time.
