 Diploma in Construction Management Extended (<http://handbook.westernsydney.edu.au/hbook/course.aspx?course=7165.1>)

For commencement year 2018, please refer to: 7137.1  
 Diploma in Construction Management Extended (<http://handbook.westernsydney.edu.au/hbook/course.aspx?course=7137.1>)

This program is delivered by Western Sydney University, The College as an agent of Western Sydney University.

This program is designed to provide students with the first year subjects included in the Construction Technology degree. The inclusion of additional preparatory subjects is designed to assist students in the transition to study at University level. The Diploma is delivered via extended face to face hours in an environment focused specifically on supporting students to make the transition into university study.

Students who successfully complete this Diploma will articulate into the Construction Technology degree with up to one year (80 CPs) equivalent of advanced standing.

For more information on Western Sydney University, The College, please refer to their web site.
