

GRADUATE DIPLOMA IN PROJECT MANAGEMENT (3786)

Western Sydney University Program Code: 3786

AQF Level: 8

CRICOS Code: 105591K

Program Status: Current

This program applies to students who commenced in 2021 or later.

This program is aimed at preparing students for a future workforce by cultivating their competencies, knowledge and application of key project management concepts and practices in various related professions. It is expected that graduates from the program will be skilful in customising a domain specific project management life cycle and developing comprehensive project plans involving cost and quality control, managing risks and stakeholders in addition to developing efficient schedules while being able to act as effective communicators within a project team setting. Students have the option to graduate with core project management skills only (Graduate Certificate) or to continue to progress with a Masters degree.

Study Mode

Full-time - 1.5 years, Part-time - 3 years
