

MASTER OF NURSING PRACTICE (PREREGISTRATION) (4785)

Approved Abbreviation: M Nurs Prac (Preregistration)
Western Sydney University Program Code: 4785
AQF Level: 9

CRICOS Code: 108310M

This program applies to students who commenced in 2022 or later.

This program is ANMAC accredited and has NMBA approval.

The focus of this program is to prepare graduates with specialised knowledge and skills for professional practice, research, further learning and eligibility to apply for registration throughout Australia as a registered nurse (Division 1). Using a primary health care framework, students study the application of physical and behavioural sciences to nursing; inquiry and evidence-based practice principles and utilisation within nursing; nursing care of individuals, families and groups from diverse backgrounds across the lifespan. The acquisition of nursing knowledge and skills occurs initially in campus-based simulated clinical practice settings and consolidation occurs as students undertake clinical placements in a variety of health care settings.

The Master of Nursing Practice (Preregistration) is offered as a two-year program commencing with an intensive, full-time subject of study in the Summer Session that supports student transition into two years of full-time study. Students will not be eligible for recognition of prior learning (RPL).

Prospective students should be aware that full disclosure of any issues of impairment or misconduct is a declaration requirement when applying for registration as a registered nurse. An English language skills registration standard is also applicable to all students applying for registration:

<http://www.nursingmidwiferyboard.gov.au> (<http://www.nursingmidwiferyboard.gov.au/>)

All students will enrol in the 4785 Master of Nursing Practice (Preregistration). There are two exit points. The Graduate Diploma in Health Support on completion of 80 credit points and Graduate Certificate in Health Support on completion of 40 credit points selected from 4785 Master of Nursing Practice (Preregistration) subjects as indicated in the program structure. Both exit points will not qualify the recipient to apply for registration as a nurse in Australia.

Early Exits

Students may exit this program on completion of 80 credit point with a 4801 - Graduate Diploma in Health Support (exit only) (<https://hbook.westernsydney.edu.au/archives/2022-2023/programs/graduate-diploma-health-support-exit-only/>)

Students may exit this program on completion of 40 credit points with a 4798 - Graduate Certificate in Health Support (exit only) (<https://hbook.westernsydney.edu.au/archives/2022-2023/programs/graduate-certificate-health-support-exit-only/>)

Registration

The Nursing and Midwifery Board of Australia (NMBA) has a register of students enrolled in the Master of Nursing Practice (Preregistration) for

the duration of their study. Western Sydney University as the education provider will provide your details directly to the Nursing and Midwifery Board of Australia (NMBA) for registration.

Registration as a nurse

On successful completion of an accredited program, you will be eligible to apply for registration as a Registered Nurse (Division 1) General with the Nursing and Midwifery Board of Australia. Prospective students should be aware that full disclosure of any issues of impairment or misconduct is a declaration requirement when applying for registration as a registered nurse. To be accepted for registration with the Nursing and Midwifery Board of Australia, you are required to disclose: any criminal history, physical and/or psychological impairments and meet specific English language standards. For further clarification of these requirements contact the Nursing and Midwifery Board of Australia. Professional Standards and Conduct.

Please ensure that you are familiar with the policies available on the Western Sydney University website. In addition, nurses and midwives must be registered with the Nursing and Midwifery Board of Australia (NMBA), and meet the NMBA's professional standards in order to practice in Australia.

Registration standards define the requirements that applicants, registrants or students need to meet to be registered.

To ensure patient safety, nurses and midwives are deemed mandatory reporters and under National Law are subject to making notification about notifiable conduct.

It is important to be aware that complaints or concerns can be raised about the health, conduct or performance of a registered health practitioner or student at any time.

Accreditation

The Master of Nursing Practice (Preregistration) Curriculum has been granted ANMAC accreditation. Students will be eligible for registration as a Nurse (Division 1) with the Nursing and Midwifery Board of Australia on successful completion of the course.

Continuation of existing arrangements for Clinical Practicum with NSW Health, Private Health Care and Not for Profit providers remain in place. These arrangements are formalised in Memorandums of Understanding between Local Health Districts (in metropolitan, rural and remote areas), Western Sydney University and the School of Nursing and Midwifery for the provision of professional practice experience placements in health care facilities. Regular meetings are held with the clinical educators and facilities.

Students will be required to meet the requirements of health services where practical experiences occur.

Work Integrated Learning

Western Sydney University seeks to enhance student learning experiences by enabling students to engage in the culture, expectations and practices of their profession or discipline. This program includes a placement or other community-based unpaid practical experience.

There is a mandatory work component required for completion of this program. Please contact the Program Advisor listed above for information.

International students should also refer to the link below for more information and a link to the Commonwealth Register of Institutions and Courses for Overseas Students (CRICOS).
