This program applies to students who commenced in 2020 or later.

Students should follow the program structure for the session start date relevant to the year they commenced.

For Commencement Year 2015 to 2019 - Please refer to 1712.2 Master of Planning (<http://handbook.westernsydney.edu.au/hbook/course.aspx?course=1712.2>)

For Commencement Year 2014 - Please refer to 1712.1 Master of Planning (<http://handbook.westernsydney.edu.au/hbook/course.aspx?course=1712.1>)

This program is offered at the Parramatta City campus. However, some subjects may be offered at other campuses or by alternative modes of delivery.

The Master of Planning is a two year program in urban and regional planning. The degree equips students with professional and scholarly education to take leadership roles in statutory town planning practice as well as policy development. This program has a strong emphasis on social science research and in the fast growing Greater Western Sydney Region. The coursework includes learning and training in history and theory, governance, professional practice, economic development, sustainability, transport planning, spatial analysis, and legal frameworks for planning.

Students enrolled in the Master of Planning may be eligible for an early exit award by transferring to the Master of Urban Management and Planning (one year degree) if entry requirements are met. Students should refer to the handbook entry for the Master of Urban Management and Planning for information regarding entry requirements and accreditation for that program.

## Early Exit

Students may exit this program on completion of 80 credit points with a 1873 (<https://hbook.westernsydney.edu.au/archives/2022-2023/programs/master-urban-management-planning/>) Master of Urban Management and Planning (<https://hbook.westernsydney.edu.au/archives/2022-2023/programs/master-urban-management-planning/>).
