MASTER OF PROJECT MANAGEMENT (3752)

Approved Abbreviation: MProjMgt
Western Sydney University Program Code: 3752
AQF Level: 9

CRICOS Code: 111857E

Program Status: CURRENT
This program applies to students who commenced in 2021 or later.

Students should follow the program structure for the session start date relevant to the year they commenced.

For commencement year Spring 2020, please refer to: 3752.3 Master of Project Management (http://handbook.westernsydney.edu.au/hbook/course.aspx?course=3752.3)

For commencement year Spring 2019, please refer to: 3752.2 Master of Project Management (http://handbook.westernsydney.edu.au/hbook/course.aspx?course=3752.2)

For commencement year 2018, please refer to: 3752.1 Master of Project Management (http://handbook.westernsydney.edu.au/hbook/course.aspx?course=3752.1)

This program is aimed at preparing students for a future workforce by cultivating their competencies, knowledge and application of key project management concepts and practices in various related professions.

It is expected that graduates from the program will be proficient in customising a domain specific project management life cycle and developing comprehensive project plans involving cost and quality control, managing risks and stakeholders in addition to developing efficient schedules while being able to act as effective communicators within a project team setting. Students have the option to graduate with core project management skills only (Graduate Certificate), to continue to obtain generic or discipline-specific project management skills (Graduate Diploma), or to continue to progress with advanced research skills with a Masters' degree.
