

UNIVERSITY FOUNDATION STUDIES STANDARD - 2 TERMS (WSTC) (9019)

Approved Abbreviation: Found Stud 2 CSPEN
Western Sydney University Program Code: 9019
AQF Level: OT

CRICOS Code: 016665E

This program applies to students who commenced in 2022 or later, up to Term 2, 2022.

This program has been designed specifically for overseas students. Domestic students seeking a pathway to first year university study also benefit from this program.

University Foundation Studies Standard Program is a university entry program that provides an alternative academic entry pathway to first year undergraduate study or its equivalent. Students complete eighty credit points over two terms. Subjects are designed to provide students with the generic skills needed for success at university in addition to more specialised discipline specific subjects intended to provide students with curriculum knowledge and skills to be successful in, for example, Health Science or Nursing.

Pathways to further study

Successful completion of this course, achievement of the required GPA and satisfying any relevant English language proficiency requirements will provide a pathway to the following programs.

Bachelor of Nursing (<https://hbook.westernsydney.edu.au/archives/2022-2023/programs/bachelor-nursing/>)

Please note that additional English language proficiency requirements set by the Australian Nursing and Midwifery Accreditation Council (ANMAC) must be declared and met before you are eligible to commence study in the Bachelor of Nursing at Western Sydney University.
