

BUSM 3062 QUALITY MANAGEMENT

Credit Points 10

Legacy Code 200167

Coordinator Denise Jarratt ([https://directory.westernsydney.edu.au/search/name/Denise Jarratt/](https://directory.westernsydney.edu.au/search/name/Denise%20Jarratt/))

Description The principles taught in Quality Management underpin the successful management of all business enterprises. Students enrolled in this subject will be introduced to the latest concepts in performance excellence, with a strong emphasis on service quality. Various tools and techniques that support performance excellence are presented, including ISO9000, Six Sigma, and high-performance human resource practices. Contemporary areas covered in this subject involve identifying customers' needs, and involvement in organisational performance which is supported by continuous improvement and organisational learning.
