Description Employment Relations Professional Practice concentrates on communicating and performing as employment relations professionals. Students practice the activities undertaken by professionals, such as advocacy and presentation, team work, information and knowledge management, research, analysis and problem solving, and producing reports, policies and analytical essays, with opportunities for feedback. The focus is knowledge of the ER professions, such as the role, function and ethics of human resource managers, industrial officers and the role of professional bodies in Australia and internationally. Support for academic practice will accompany professional activities. The subject is designed for those wanting to build a career in employment relations.
