

HLTH 0002 HEALTH CARE ENVIRONMENTS (WSTC)

Credit Points 10

Legacy Code 900106

Coordinator Dane Couter (<https://directory.westernsydney.edu.au/search/name/Dane+Couter/>)

Description Health care environments introduces students to foundation knowledge for health science level subjects in their degree. This includes supporting the independence and wellbeing of clients, regardless of age or disability. Focus in this subject includes working legally and ethically, working with diverse people and following safe work practices. Effective communication is imperative, through written care plans, identifying what has been provided using client centred practice. This subject incorporates most core and elective subjects in the Certificate III in Individual Support. Students can pursue a qualification through the College RTO in one of three specialisations- Disabilities, Ageing, and Home & Community.
