

HORT 7004 INDUSTRY PROJECT

Credit Points 10

Legacy Code 301361

Coordinator Michelle Mak ([https://directory.westernsydney.edu.au/search/name/Michelle Mak/](https://directory.westernsydney.edu.au/search/name/Michelle%20Mak/))

Description In this unit, students will complete an industry based project under the guidance of an industry partner and a member of the University's academic staff. Using a project based methodology, students will be required to solve a real world problem on behalf of a protected cropping industry partner. Students will develop skills in scoping, planning, implementing, reporting on the industry project; reflecting on what has been learned in the context of their personal and professional development and how this can be used in their future career.

School Science

Discipline Horticulture

Student Contribution Band HECS Band 1 10cp

Level Postgraduate Coursework Level 7 subject

Assumed Knowledge
