Description This is an optional subject in the Arabic major program, which aims to introduce students to the study of the Arabic novel and short story, and which examines the historical, political, social and cultural context that this literature reflects. This will be done by studying selected novels and short stories. Students will be able to do a research component on a novel of their choice. This subject will also examine children's literature, including traditional children stories and contemporary Arabic literature, as well as translated western traditional stories.
