

LAWS 7015 INFORMATION AND DATA GOVERNANCE LAW AND POLICY

Credit Points 10

Legacy Code 200958

Coordinator Thillagavathy Rajaretnam (<https://directory.westernsydney.edu.au/search/name/ThillagavathyRajaretnam/>)

Description This subject focuses on the right to privacy and examines the legal framework for information privacy protection and data governance that are established by both international and domestic law and regulation. This subject introduces students to the theoretical approaches to information privacy and data governance law and policy. In particular, the subject focuses on the European Union Directives and Regulation; the OECD Guidelines for the Protection of Privacy and Trans Border Flows of Personal data and the impact of international laws and regulation on information privacy and data governance regulation and policy in Australia. The subject explores some of the challenges in providing effective information privacy protection and data governance in cyberspace as existing laws adapt to new and advanced information technological developments and their use.

School Law

Discipline Law, Not Elsewhere Classified.

Student Contribution Band HECS Band 4 10cp

Level Postgraduate Coursework Level 7 subject
