**Credit Points** 10

**Legacy Code** 102759

**Coordinator** Brendan Smyly (<https://directory.westernsydney.edu.au/search/name/Brendan+Smyly/>)

**Description** The subject builds on the conceptual and practical work presented in Music Production, deepening students' understanding of technology in contemporary music and media arts practice. Students will study the digital field recording for sound design and composition, the basic principles of sound synthesis procedures and musical acoustics, and creative sound design and synthesiser patch editing.
