**Pre-requisite(s)** LGYA 7072 AND REHA 3023

**Equivalent Subjects** LGYB 7906 - Clinical Placement 4

## Learning Outcomes

On successful completion of this subject, students should be able to:

1. Manage case loads in preparation for independent practice.
2. Demonstrate professional behaviours and attitudes in practice settings.
3. Communicate effectively with clients, team members, relevant community groups and industry partners.
4. Utilise a range of assessments to set long and short term goals.
5. Implement and evaluate occupational therapy interventions in the practice setting.
6. Prepare documents in a professional format related to practice.
7. Practice self-directed learning strategies through the use of a learning contract.
8. Reflect on their practice experience using a structured format.

## Subject Content

- professional behaviour
- communication skills
- Individually negotiated learning Contract
- documentation skills for practice
- assessment of individual and group needs
- implementation and evaluation of programs for individuals and groups

## Special Requirements

Legislative pre-requisites
