**Description** This unit is designed to support the process of completion of a Social Work honours degree and the production of an honours thesis. It is only available to students who have been accepted into the honours programme for the Bachelor of Social Work. This unit is the culmination of studies for students who have completed their undergraduate degree and provides substantial training in research. Under staff supervision, students choose the particular topic for their research, design their own programme of research, perform the research and analyse the results. The culmination of this process is the production of a thesis in which students describe the rationale for their topic, their research programme, ethical issues, results, and their conclusions.
