

APPLIED FINANCE AND FINTECH, TESTAMUR MAJOR (T165)

Effective from: 2026

Western Sydney University Major Code: T165

Available to students in other Western Sydney University programs?
No

This Applied Finance and FinTech testamur major applies to students who commenced in 2026 or later.

The Applied Finance and FinTech major equips you with the expert skills to create a career as a finance specialist. In this major you will develop in-depth knowledge of finance with a focus on investment and securities, banking and finance, and new financial technologies. The core subjects in the Bachelor of Business will provide you a foundation of business knowledge and develop your skills in innovation, career planning, and numeracy. The Applied Finance and FinTech major builds on this knowledge and skills in an applied discipline-based context. Finance specialists work in a range of roles within the rapidly growing finance and fintech sector. This major fulfils the educational requirements for admission as an Associate (A Fin) of the Financial Services Institute of Australasia (FINSIA) provided the applicant is at least working in the financial services industry. All other students are eligible to apply for Affiliate membership (no postnominals apply).
