EDUCATION STUDIES – EARLY CHILDHOOD/PRIMARY TEACHING, MINOR (0331)

Effective from: 2023
Western Sydney University Minor Code: 0331

Available to students in other Western Sydney University programs?
No

The Education Studies – Early Childhood/Primary Teaching minor is comprised of the four initial subjects from the Master of Teaching (Birth-5 Years/Birth-12 Years) program. These subjects are designed to provide students with a foundational understanding of their role as pedagogical leaders in early childhood and primary school contexts. The subjects emphasise the importance of strengthening connections with diverse communities, building partnerships with families and creating safe and supportive spaces for children to create, explore and learn. Compulsory to all students in a Pathway to Teaching (Early Childhood/Primary) program, enrolment is dependent on the successful completion of 160 credit points in the undergraduate program.
