GRAPHIC DESIGN, MAJOR (0073)

Western Sydney University Major Code: 0073

Previous Code: M1116.1

Available to students in other Western Sydney University programs? No

The Graphic Design major provides students from outside the Design program with a comprehensive introduction to fundamental skills and knowledge in graphic design. The major is delivered through a series of practice-based and theoretical subjects and you will study areas such as image design, contextual design studies, web design and branding. In addition, you will have the opportunity to choose a practice-based specialisation from the areas of interactive design; digital design; illustration and photomedia.
