

HEALTH AND RECREATION, MINOR

Western Sydney University Minor Code: 0243

Previous Code: SM4004.1

Available to students in other Western Sydney University

Programs: Yes, however the following restrictions apply.

Health and Recreation Minor is a foundational study in recreational therapy for any student who meets its units' pre-requisite rules and is not enrolled in another recreational therapy field of study of the Bachelor of Health Science or Diploma in Health Science/Bachelor of Health Science. This Minor may be taken by students who undertake the Bachelor of Health Science testamur majors in Health Promotion, Clinical Sciences, Public Health, or Health Services Management, or another course of the University.
