

INTERNATIONAL GOVERNANCE, TESTAMUR MAJOR (T127)

Western Sydney University Major Code: T127

Previous code: ST2007.1

Available to students in other Western Sydney University programs?

No

This major has been discontinued at the end of 2023.

Governance is a key area for those working in law related areas in small and large firms, as well as in many public companies, government departments, large charities and non-government organisations. Internationally, there is a strong need for technical knowledge and understanding of legal governance for those not used to working in a common law legal system versus their own civil code or mixed system. This major provides a strong grounding in key theories, practices and issues in international governance.
