

IT SUPPORT, MINOR

Western Sydney University Minor Code: 0205

Previous Code: SM3054.1

Available to students in other Western Sydney University programs?

No

The minor prepares students to work with, train and support other people in their use of technology. With its practical orientation, it provides a sound foundation in information technology and computing particularly through learning by direct hands-on experience in class, laboratories and in real-world work experience sites. It is for people who want to work with computers within the IT (Information Technology) industry. This minor is only available to students enrolled in the Bachelor of Information and Communications Technology (<https://hbook.westernsydney.edu.au/programs/bachelor-information-communications-technology/>) or Bachelor of Information and Communications Technology (Advanced) (<https://hbook.westernsydney.edu.au/programs/bachelor-information-communications-technology-advanced/>).
