Diploma in Health Science/Bachelor of Health Science (6000) (<https://hbook.westernsydney.edu.au/programs/diploma-health-science-bachelor-health-science/>)

Western Sydney University Minor Code: 0253

Previous Code: SM4005.1

Available to students in other Western Sydney University

Programs: Yes. Check that your program has the available credit points required to complete the subjects in this field of study. Any requisite requirements must also be met. Consult your Program Advisor for further advice.

The Leisure for Diverse Groups Minor is recommended as complementary study for, and is only available to, those completing the Recreational Therapy Testamur major of the Bachelor of Health Science. This minor facilitates understanding of different modalities that can be used in recreational therapy practice. This is an interdisciplinary minor with subjects taken from the Schools of Health Science, Education, and Humanities and Communication Arts and will therefore require students to travel to other campuses
